

NorthPointe helps out families

November 28, 2010

BERKLEY - Some area families have benefited from efforts by NorthPointe Foot & Ankle in Berkley to collect monetary and non-perishable food donations to support the Oakland Family Services' Thanksgiving Food Basket Program.

Doctors at the clinic matched contributions to secure complete Thanksgiving meals for four deserving families for Thanksgiving. On Nov. 23, Oakland Family Services gave the food to local families experiencing economic hardship. Ten other area families were also supported by the program.

NorthPointe Foot & Ankle provides medical foot care to patients and is very involved in the community.

Oakland Family Services is a nonprofit organization dedicated to strengthening families by providing quality treatment, education and prevention services throughout southeastern Michigan. Offices are located in Berkley, Pontiac, Walled Lake and Rochester Hills.
