Helps Bring Swing to Kiwanis Tot Lot Park**

**Berkley, Mich.** – NorthPointe Foot & Ankle in Berkley is pleased to support the Friends of Berkley Parks & Recreation as they raise funds for a special swing that will accommodate children with disabilities in Berkley's Kiwanis Tot Lot Park. The Friends of Berkley Parks & Recreation is a non-profit organization consisting of community members working to enhance and promote the City of Berkley's Recreation Facilities and Parks.

"We appreciate all of the work that the members of the Friends do to beautify our parks and keep our residents active," said Dr. Lee Hoffman, NorthPointe Foot & Ankle partner. "While the organization has other initiatives going on, we are happy to help them reach their goal of purchasing this special swing for children of all abilities to enjoy."

From July 18 through August 18th, donations will be accepted at the NorthPointe Foot & Ankle office. Donations of any amount will be collected and given to the Friends of Berkley Parks & Recreation.
